Joint Baltimore-Washington ICRI & IIBEC Mid-Atlantic Chapter Dinner and Meeting

Maggiano's – Tyson's Galleria
2001 International Drive
McLean, Virginia 22102

The Joint Baltimore-Washington ICRI & IIBEC Mid-Atlantic Chapter Dinner and Meeting will be held on Thursday, September 7th in Tyson's Corner, Virginia.

Please join us for the chapter's *first* Joint-Chapter Dinner and Meeting with the **Baltimore-Washington Chapter of ICRI** to be held at **Maggiano's Little Italy** at **Tyson's Galleria!**

This event will feature a technical presentation on **"Ensuring a Watertight Building Envelope"** presented by **Brian Baker** of PPSI. We look forward to seeing you all there!

Summary: The building envelope is made up of multiple components, supplied by different manufacturers, and installed by numerous contractors. When failures occur, it is typically at the interfaces between these components. These transitions become critical to the success of the structure. This presentation focuses on where all these transitions occur, and how to ensure proper detailing, regardless of the manufacturer.

Brian has been working in the construction products industry since 1993, with nearly all of that time focusing on how to keep water out of the built environment. Using his experience at multiple manufacturers specializing in different technologies, he works with design and construction teams to help ensure the building envelope remains intact not only through construction, but also through the working life of the building. Brian focuses primarily on below-grade waterproofing, air barriers, roofing, and expansion joints, using a systems approach to ensure all of these components work together.

- Registration and Social Hour with wine and beer will start at 5:30 pm in the private dining rooms upstairs.
- A family-style dinner will be served at 6:30 pm.
- A technical presentation will begin at 7:30 pm.
- **The cost for dinner is \$80.00 per person (ICRI/IIBEC Members) & \$90.00 per person (non-ICRI/IIBEC Members).**

Please feel free to bring a guest or anyone with an interest in IIBEC and/or the IIBEC Mid-Atlantic Chapter. For questions or additional information, please contact Chapter President Sam Zalok at (240) 377-1030 or sszalok@sqh.com.
