We want to share this event with new IIBEC Members in the region and encourage you to bring a guest that may also benefit from Chapter events, education, and industry networking.

This year's event will also serve as our gathering for IIBEC's 40th Anniversary. Join us in our celebration of this huge milestone! **As part of the celebration, this year we will include a waterfront driving range where guests can practice their golfing skills with biodegradable golf balls. Two platforms will be provided between 5:30 pm and 7:30 pm.** Again, we encourage you to come out and bring prospective IIBEC members from the industry such as consultants, building owners, contractors, and suppliers.

Registration is limited for this event, so sign up soon to reserve your spot. Please see the attached registration form for more information. We hope to see you at this year's event.

Regards,
